My name is Ann Auxier, a registered Early Childhood Educator employed by Manitoulin Family Resources in Early On Child and Family Center. We have an exciting summer planned for families on Manitoulin Island. As you may already know, we have been giving out activity kits monthly for children 0-6 and their families since the pandemic started. We also do playgroups and other programing virtually.

This summer, though we cannot do face to face programs as of yet, we have come up with ideas to get families out exploring our beautiful island and spending quality time together.

We have planned 6 geo cashing treasure hunts with 18 different island locations that we will be giving clues out too. The ideas if they find our treasure box of trinkets, each child can take a treasure but they need to leave one as well. We are supplying notebooks for families to write their names and where they are from as well as our information about Early On.

We are also doing Story Walks. We put pages of a story book along a trail with removable, reusable signs, and families can enjoy the story as they walk the trail.

I am writing to you today to ask permission to put a treasure box at your location. For example, we will give 6 pictures of 6 locations as clues. Families will have to find those location to participate. For example the picture could be the sand dunes in Providence Bay, a roadside sign or the cow at a business in Little Current. We will do everything, dropping off, picking up, installing, taking down and maintaining.

If you have received this email, your location was one of our ideas and if you are okay with us using your location, please let us know, we hope to kick off the 3rd week of June to the first week of July with most of our projects. I have added our location ideas.

I have enclosed our first poster (if we get the go ahead from locations) as an example as well as our coming soon poster. Thank you so much, hope to hear from you soon.

RE: Seeking your endorsement for Motion M-84 Anti-Hate Crimes and Incidents & Private Member's Bill C-313 Banning Symbols of Hate Act

Dear Mayor and Council,

I am writing to you today seeking your endorsement of my House of Commons <u>Motion M-84 Anti-Hate Crimes and Incidents</u> and my private member's legislation on <u>Banning Symbols of Hate Act - Bill C-313</u>. We are living in an unprecedented time. The killing of George Floyd in the U.S., and the deaths of Regis Korchinski-Paquet, a 29-year-old Indigenous-Ukrainian-Black Canadian woman, occurred in Toronto, and Chantel Moore, an Indigenous Canadian woman, was shot and killed by Edmundston police, New Brunswick police, who were called to perform a wellness check - were results of systemic racism.

Since the start of the pandemic, there has been an alarming increase of anti-Asian racism and hate crimes in Canada and across North America. A new <u>Angus Reid public opinion</u> poll shows that nearly 50% of young Asian Canadians have experienced and been affected by anti-Asian racism and bigotry in the last year. <u>Statistics Canada</u> reported that in the context of the COVID-19 pandemic, fear and misinformation about the virus may disproportionately impact the sense of personal and community safety of many people in Canada.

The recent murder of the Muslim family in London, Ontario, was yet another reminder that hate and Islamophobia exist in Canada. We must take a strong stance against all forms of hate and racism against Black, Indigenous, People of Colour and Racialized communities.

My Bill C-313 would prevent anyone from selling and displaying symbols that promote hatred and violence against identifiable groups. Julian says banning symbols of hatred like swastikas or Klu Klux Klan insignia is important for all Canadians to feel safe.

I hope I can count on your endorsement to urge the federal government to immediately stop all forms of hate and all forms of discrimination, hate crimes and incidents as well as ending all display and sale in Canada of symbols of hate. Please consider using the following endorsement paragraph as a reply as soon as possible:

On behalf of	$\underline{\hspace{0.1cm}}$ (Number of r	residents in yc	our city), th	e Mayor	and

Thank you very much for your consideration. Please feel free to contact my Chief of Staff, Doris Mah, at 604-353-3107 if you require any further information.

We look forward to hearing from you soon.

Sincerely,

Peter Julian, MP
