To the various municipalities across Manitoulin Island

To whom it may concern:

I am writing you in my capacity as the Communications and Development Co-ordinator of the Manitoulin Health Centre. As you may know, we have undertaken a renovation and expansion of the Mindemoya Emergency Department to better serve our patients, including our summer and seasonal residents. These improvements include:

- a clean line of sight to patient areas from the nursing station;
- greater patient confidentiality during a visit;
- a dedicated mental health observation suite;
- an extra bed in the trauma area;
- a larger chemotherapy suite and an infectious disease suite, complete with anteroom.

When complete, the Mindemoya Emergency Department will be a space which is larger, safer, more comfortable and welcoming for our patients, the doctors and nurses who provide much needed care. The renovations are scheduled for completion in July of 2022.

As part of our ongoing fundraising efforts, we will be launching a 50/50 draw mid September, fingers crossed!

We will be marketing via all the traditional means. I am hoping however, that you may be able to provide us with a little extra help. I am asking if you could include as part of your next utility/tax billing or other correspondence you may have with your residents, an insert highlighting the initiative. I can provide you with all the "stuffers" so there is no additional work required on behalf of your staff.

On behalf of the Manitoulin Health Centre, thank you for your consideration. I can be reached at the hospital at (705) 368-2300 ext 2335, on my cell at (705) 348-0961 or by email at ktimmermans@mhc.on.ca. Thank you for your consideration.

Yours truly,

Kelly Timmermans

AMO Policy Update – Draft Resolution for Municipal Recognition of September 30th as National Day for Truth and Reconciliation, and New Municipal Resource Materials

Recent discoveries of remains and unmarked graves across Western Canada have led to increased calls for all levels of government to immediately address the recommendations in the Truth and Reconciliation Commission's (TRC) Calls to Action.

All Canadians and all orders of government have a role to play in reconciliation. The TRC's 94 Calls to Action are addressed primarily to the federal, provincial, and territorial governments but also to municipal governments, the corporate sector, and the broader Canadian society. They cover a wide range of government responsibilities including child welfare, education, language and culture, health, justice, commemoration, museums and archives, training for public servants, and a few specific initiatives related to reconciliation.

At the August 14th Board Meeting, the AMO Board of Directors approved two resource papers to assist municipal councils' efforts to support Truth and Reconciliation.

The first resource paper provides an overview of the Truth and Reconciliation Commission's (TRC's) Calls to Action that municipal governments can address themselves.

The second resource paper provides ideas and options for what municipal leaders, councils can do to better support and engage Indigenous residents and neighbours at this time.

These AMO resource papers are meant to be organic and to be revised/updated when appropriate and more municipal resource materials are available.

Municipal Recognition of September 30th as National Day for Truth and Reconciliation – Draft Resolution

The AMO Board of Directors encourages members to recognize September 30th as National Day for Truth and Reconciliation (also known as Orange Shirt Day with the adoption of the following resolution:

WHEREAS the Truth and Reconciliation Commission released its final report on June 2, 2015, which included 94 Calls to Action to redress the legacy of residential schools and advance the process of Canadian reconciliation;

AND WHEREAS the recent discoveries of remains and unmarked graves across Canada have led to increased calls for all levels of government to address the recommendations in the TRC's Calls to Action;

AND WHEREAS all Canadians and all orders of government have a role to play in reconciliation;

AND WHEREAS Recommendation #80 of the Truth and Reconciliation Commission called upon the federal government, in collaboration with Aboriginal peoples, to establish, as a statutory holiday, a National Day for Truth and Reconciliation to ensure that public commemoration of the history and legacy of residential schools remains a vital component of the reconciliation process;

AND WHEREAS the Federal Government has announced September 30th, 2021, as the first National Day for Truth and Reconciliation (National Orange Shirt Day) and a statutory holiday;

THEREFORE, BE IT RESOLVED THAT the Council of the [municipality] of [placename] does hereby commit to recognizing September 30th, 2021, as the National Day for Truth and Reconciliation (National Orange Shirt Day) by sharing the stories of residential school survivors, their families, and communities.

Dear Mayor MacNevin:

RE: *Restoule et al. v. the Attorney General of Canada, the Attorney General of Ontario and Her Majesty the Queen in Right of Ontario (Court File Nos. C-3512-14 & C-3512-14A).*

We are writing to you as the mayor of Northeastern Manitoulin and the Islands and our neighbour on Robinson Huron Treaty land. Stretching across northeastern Ontario, this Treaty land is bountiful and living on it comes with responsibilities for all of us.

The Robinson-Huron Treaty recognizes the political and economic relationship between the First Nations signatories and the Crown, including the sharing of revenues of any resource development on the lands involved in the treaty, which covers approximately 35,700 square miles of territory primarily in northeastern Ontario. The Crown has not acted honorably in maintaining its promises set out in the treaty and the Robinson-Huron Treaty Chiefs, successors of the original signatories, are acting on their responsibility to ensure that the terms of the Treaty are honoured.

In the phase 1 decision, the Ontario Superior Court found the Crown has a mandatory and reviewable obligation to increase the Treaties' annuities when the economic circumstances warrant reflecting a fair share of the value of the net Crown resource-based revenues generated from the territory. In phase 2,

the Court found that the First Nation plaintiffs' claims are not barred by Ontario's limitations legislation and that the Government of Ontario does not benefit from the doctrine of Crown immunity.

Ontario appealed the decisions, but the appeals have not yet been decided. Canada did not appeal the decisions.

On August 13, 2021, we received correspondence from Crown-Indigenous Relations Minister Carolyn Bennett informing us that Canada is prepared to enter into negotiations and settle our ongoing annuities litigation out of court.

Canada's mandate to resolve this claim comes with the requirement that the Province of Ontario be party to the negotiations and settlement, given the shared responsibility for the diligent implementation of the Robinson-Huron Treaty between the Provincial and Federal Crowns. We write to you today to ask you to call upon Ontario to come to the table and enter into good faith negotiations to resolve this ongoing dispute.

The Robinson Huron Treaty Anishinaabek want to move forward with treaty renewal and the rebuilding of our relationship with the Crown in right of Ontario and Canada. We urge you to communicate support for negotiations as the means of resolution to the Government of Ontario.

A settlement of this claim will not only assist the Robinson-Huron Treaty Nations achieve improved health outcomes and economic development, but your municipality will also benefit economically and all of northeastern Ontario.

Entering negotiations is an opportunity to strengthen communities and local economies in the Robinson-Huron Treaty territories as we rebuild after the pandemic, and a chance to move forward from unnecessary litigation in a way that benefits everyone in Ontario. The people of these 21 Robinson-Huron nations are locals, too. We shop in the same local stores and restaurants in Northeastern Manitoulin and the Island as you and we want to support the local economy.

Tell Ontario to come to the table and enter into good faith negotiations to resolve this ongoing dispute, ask your constituents to lend their support and uphold your responsibilities that come with living on this land.

Meegwetch for your consideration and we look forward to your earliest response.

Respectfully,

On behalf of the Robinson-Huron Treaty Leadership

Ontario has been the destination of choice for many immigrants who have added to the diversity of the province by bringing their culture, customs and language, even as they endeavor to acquire the ability to communicate in English.

The community of English as a Second Language learners are represented in all aspects of society. They are students in elementary and secondary schools, universities, colleges, public and private schools, adult education students pursuing literacy and basic skills, participants in workplace-training programs, researchers and subjects, volunteers and workers, employees and business owners, labourers and professionals, neighbours and friends.

The professional organization Teachers of English as a Second Language (TESL) Ontario hosts a conference in Toronto each year consisting of workshops, research symposia and a technology fair to maintain and expand the skills and abilities of its members.

Now therefore I, Al MacNevin on behalf of the Town of Northeastern Manitoulin and the Islands Council, do hereby proclaim November 20th to 26th, 2016 as "English as a Second Language Week" in the Town of Northeastern Manitoulin and the Islands.
