Dear David Williamson,

Further to ongoing discussions regarding the Fire Safety Grant Program, I am writing to confirm that the fire service has agreed (in principle) to utilizing its grant allocation to support its intended purpose as outlined below.

The Town of Northeastern Manitoulin and the Islands will be provided a total of \$5,200.00 to support:

- Increased training opportunities

This aligns with the intended purpose of Fire Safety Grant Program.

As part of this process, formalization of the grant allocation and the Transfer Payment Agreement is required and will be tabled by you for your municipal council at its next meeting.

The Office of the Fire Marshal will reach out to finalize and execute the Transfer Payment Agreement once municipal council has had the opportunity to approve your proposal for spending the funds provided.

Sincerely,
